SOCIAL CLUB MEMBERS TO VOTE ON NOVEMBER 21-22

EMR-Telemetry Social Club elections will be held on two days this year--on November 21 and 22--as an added convenience to permit more Social Club members to participate in the balloting. You can cast your vote in the Cafeteria between 11:30 and 12:30 on either Thursday or Friday of this week. Social Club volunteers will man the polls and verify your membership before you drop your ballot into the box.

"We're hoping for a big turnout of voters to show the members' support for the organization's new officers," said outgoing President Chris Papastrat. "Remember, the officers you select will be making decisions for your Club for 1969," he pointed out.

~~There are five offices to be filled: President, Vice President, Recording Secretary, Corresponding Secretary, and Treasurer. Here are the candidates:~~

President
Diane Fisher,
Microelectronics
