OF PROGRESS IN SARASOTA**

VOL. X, NO. 3

MARCH, 1988

This issue is dedicated to Margaret Herbst. She has nurtured this publication since its inception. This is her final issue as editor, as she is retiring after 30 years of service. Margaret (we can do that) Herbst has been involved in all company events, from picnics to parades and everything in between. She

makes everyone's service awards special, by setting up photos and putting photos and names in Pulse. Margaret, thanks for all you have done, and the high standards you have set. Good luck and happy traveling from all of your friends at Fairchild.

## TO MARGARET

Merry Margaret,  
As midsummer flower,  
Gentle as falcon  
or hawk of the tower:  
With solace and gladness,  
Much mirth and no madness,  
All good and no badness;  
So joyously,  
So maidenly,  
So womanly  
Her demeaning  
In every thing,  
Far, far passing  
That I can indite,  
Or suffice to write  
Of Merry Margaret  
As midsummer flower,  
Gentle as falcon  
Or hawk of the tower.  
Patient and still  
And full of good will.  
Steadfast of thought,  
Well made, well wrought,  
Far may be sought  
Ere that ye can find  
So courteous, so kind  
As Merry Margaret,  
This midsummer flower,  
Gentle as falcon  
or hawk of the tower.
