From:

Fred Paine

Subject:

Organizational Changes and Personnel Re-Assignments

Copies:

The following organizational changes and personnel re-assignments are effective immediately.

The Technical Publications Departments of CPS 100, Aviation Recorders and Signal Processing Systems (SPS) have been consolidated into one Technical Publications Department providing division wide technical writing support and will report to Bill Mac Neill.

Judy Studenwalt has joined the Electronic Publishing Department and Lonn Benson has joined the Computer Aided Graphics Department which provide division wide support and will report to Al Orr.

The revised organization of the Engineering Support Services is attached.
